## 1st Medieval Festival in Moldova

June 28 – 29, 2015

The Festival brings to life the spirit of Moldova's Middle Ages: it features authentic period music and dance, open air theatre shows and medieval marketplaces, offering children a special entertainment programme and that is not all! Hundreds of re-enactors in colorful costumes, including those from the Republic of Moldova, Romania and Ukraine, will converge at VATRA to amuse festival goers and guests with re-enactments of medieval battles. Everyone will be able to test a weapon and try on a medieval costume.

Medieval music bands from Romania Trei Parale, Ad Hoc and Nomen Est Omen will maintain a festive atmosphere. Organizers of the Festival promise their guests will never forget tournaments in medieval fencing, archery and axe throwing. Art connoisseurs will also remain pleased. They will certainly enjoy craft fairs, handmade exhibits and workshops on sculpture, painting and dancing.

The Medieval Festival takes place at VATRA, the ethnocultural complex located 32 kilometres far from Chisinau.
