

# ExxonMobil Energy Outlook: A perspective to 2040

Ir. F.A.E. Schittecatte, MSc

## Short Biography

Filip Schittecatte studied electrical and mechanical engineering (2001) at Ghent University and obtained an MBA from Vlerick Leuven-Gent Management School (2011). He joined ExxonMobil in 2001 and has held various positions, both in upstream and downstream, in Belgium, the Netherlands and the UK. Recently he was Upstream Commercial Manager in the Netherlands, representing ExxonMobil in the Dutch upstream Joint Venture as a member of the GasTerra Supervisory Board. Since April 2019, he became Sr Energy Advisor in the Corporate Strategy and Planning group of Exxon Mobil Corporation, based in the United States.
