3. If requested, obligation to submit a document confirming the filling in of the above mentioned electronic locator form at the border control or residence check.		
4. -	4. Obligation to undergo a RT-PCR test on own expense within 5 days from the entry. The test result will be submitted automatically to the locally competent regional public health authority via an information system.	4. Obligation to undergo a RT-PCR test on own expense at the earliest on the 5th day, but at the latest on the 14th day, from the entry. The test result will be submitted automatically to the locally competent regional public health authority via an information system.
5. Self-isolation until the result of the RT-PCR test undergone in the Czech territory is not obligatory. Obligation to wear a respirator** outside of home for the duration of 14 days.	5. Self-isolation* until the result of the RT-PCR test undergone in the Czech territory. Obligation to wear a respirator** outside of home for the duration of 14 days.	
Employees and students: <ul style="list-style-type: none">▪ Obligation to inform your employer or school about travels exceeding 12 hours to an orange, red or dark red country. Employers and schools: <p>Obligation to request negative result submission of the test after the entry / return to the Czech Republic.</p>		
<p>► <u>EXCEPTION IN CASE OF A POSITIVE TEST PRIOR TO ENTRY TO THE CZECH TERRITORY:</u> Czech citizens are allowed to enter the Czech territory even in case they have been tested positive for the presence of SARS-CoV-2 less than 14 days prior to the planned entry. These persons shall use individual transport journey, if possible.</p> <ul style="list-style-type: none">➤ In case of public transport journey, these persons must inform the carriers about the possible presence of COVID-19 disease prior to the start of journey.➤ After the entry to the Czech territory, these persons must inform the healthcare professionals carrying out a test for the presence of SARS-CoV-2 and the regionally competent Public Health Office regardless of means of transport <p>These persons are obliged to observe the rules of isolation upon entry to the Czech territory for 3 days from the disappearance of the disease's symptoms but at least for 14 days from the first test, which showed the presence of SARS-CoV-2.</p>		

ATTENTION: airlines might apply stricter measures for conducting the transport.

EXCEPTIONS FROM OBLIGATIONS IN REGARD TO COVID-19 PANDEMIC:

➤ Pursuant to point I. 5 of the Ministry of Health's Protective Measure

A.a ❖ International transport workers (point I.5a)

➤ truck drivers (not haulers); bus drivers; aircraft crews performing aerial work; train drivers, train crews and carriage inspectors; ship captains and cargo vessel crew members; crew of vehicles of road managers; drivers of a vehicle up to 9 persons and empty journeys associated with those transportations; external driver of a vehicle up to 9 persons, but only in cases of alternation of ships' captains and vessel crew members

- confirmation of international transport workers (template at the MoI website)
- proof of driver's professional competence
- contract of contractual transport (attention, this only applies to drivers of cargo vessel crews on their way to work), or employment contract (for other drivers)

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

► **Obligation to wear a respirator**** outside of home for the duration of 14 days.

A.b ❖ Transit up to 12 hours through the Czech Republic (point I.5b)

- proof of transit

Transit by air (fully by air only) up to 12 hours:

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

► **Obligation to wear a respirator**** outside of home for the duration of stay.

Transit by land up to 12 hours (this also applies to a combined transit: e. g. arrival to Prague by air and continuation to Bratislava by train):

It is obligatory to neither fill in the Public Health Passenger Locator Form. There is obligation to have a written confirmation from an accredited laboratory of a negative result of an antigen or RT-PCR test before entering the Czech territory; the antigen test must be carried out no more than 24 hours and RT-PCR test no more than 72 hours before the beginning of the trip.

► **Obligation to wear a respirator**** outside of home for the duration of stay.

❖ Travel to / from the Czech Republic for the period of time not exceeding 12 hours for essential reasons (point I.5b)

➤ travel to work or work performance; ensuring childcare, animal care or provision for relatives; medical facilities and social services facilities visits including accompaniment; handling of urgent official matters including accompaniment; funeral attendance; schooling and education; travel to one's place of residence

- proof of the travel purpose for essential reasons	It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry. ► Obligation to wear a respirator** outside of home for the duration of 14 days.
A.c ❖ Diplomats, service passport holders and international organisation officials travelling for business purpose - the stay in / outside of the Czech territory not exceeding 72 hours (point I.5c) ➤ <i>holders of diplomatic passports, holders of service passports travelling to or outside of the Czech Republic for business purpose; international organisation officials registered at the Ministry of Foreign Affairs travelling to or outside of the Czech Republic for business purpose</i>	
- diplomatic passport issued by CZ - service passport issued by CZ - MEP card - service card, employee card of an international organisation PLUS any of following documents: - meeting invitation - travel order or other proof of travel for business purpose	It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry. ► Obligation to wear a respirator** outside of home for the duration of 14 days. CAUTION: if the planned duration of your stay in the Czech territory shall exceed 72 hours, this exception does not apply to you and you must follow the general obligations in regard to covid-19 pandemic applicable to all Czech citizens (conditions laid out in the point A above).
A.d ❖ Children below the age of 5 (point I.5d)	
	It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry. Obligation to wear a respiratory protective equipment in line with the general rules. ► After the entry / return to the Czech Republic from an orange, red or dark red country there is obligation of self-isolation for the duration of 5 days from the entry to the Czech territory. After the entry / return to the Czech Republic from a dark red country, there is entry ban to a kindergarten or similar institution for a period of 7 days from the entry to the Czech Republic.
A.e ❖ Professional athletes and members of the national representation of the Czech Republic, including persons essential for sporting events permitted by the Ministry of Health's exception, who are allowed individual training activities or participation in a mass event for which binding hygienic and anti-epidemic conditions have been established (point I.5e)	

- proof of professional sport performance PLUS - confirmation of attendance of a sporting event., for which binding hygienic and anti-epidemic conditions have been established	► The general obligations in regard to covid-19 pandemic are applicable as to all Czech citizens (conditions laid out in the point A above), with the exception of self-isolation until the RT-PCR test result. Entry from a red and a dark red country: to undergo at own expense a RT-PCR test in the Czech territory after the entry to the Czech Republic – until a negative test result it is not permitted to train or attend a sporting event. ► Obligation to wear a respirator** outside of home for the duration of 14 days.
A.f ❖ <u>Cross-border workers, pupils and students working or studying in the neighbouring countries (point I.5f)</u> ❖ <u>Travels to or from a neighbouring state for the purpose of exercising the right to care for a minor child or contact with such child (point I.5f)</u>	
- proof of a regular (at least once a week) state border crossing for the purpose of work performance or education; e.g. employment contract or a cross-border worker confirmation and a cross-border pupil and student confirmation (template at the Mol website) - decision / proof of the care of or contact with a minor	It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry. Obligation to wear a respiratory protective equipment in line with the general rules.
A.g ❖ <u>Policemen performing escort activities or security escort of aircraft (point I.5g)</u>	
- document confirming the escort performance	It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry. Obligation to wear a respiratory protective equipment in line with the general rules.
A.h ❖ <u>Czech citizens who demonstrably suffered the covid-19 disease and completed isolation due to a positive RT-PCR test result in the full extent imposed by rules of the Czech Republic or other EU Member State; the date of the first positive RT-PCR test result must exceed at least 14 days but cannot exceed 90 days from the testing (point I.5h)</u>	
- written medical certificate in English (stamped and with doctor's identification and contact details) from a doctor in CZ or EU confirming the completion of isolation after a positive RT-PCR test, which was undergone less than 90 days (a possible confirmation sample in Czech/English can be found at the Ministry of Health, Ministry of the Interior and Ministry of Foreign Affairs websites) - to be without clinical signs of covid-19 disease	It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry. ► Obligation to wear a respirator** outside of home for the duration of 14 days.
A.i ❖ <u>Critical infrastructure service personnel whose performance is in the interest of the Czech Republic (point I.5i)</u>	

➤ <i>These are very specific, rare and individual cases</i>	
- confirmation of critical infrastructure service worker issued in the interest by the Czech Republic NOTE: other critical infrastructure service workers (without a confirmation of the interest of the Czech Republic) enter the Czech territory in emergency mode and all obligations apply in accordance to which country they depart from. ATTENTION: the list of critical infrastructure subjects is fixed, meaning it is not possible to self-declare to be a critical infrastructure subject.	► The general obligations in regard to covid-19 pandemic are applicable as to all Czech citizens (conditions laid out in the point A above), with the exception of obligation to undergo a RT-PCR test in the Czech territory after the entry from a red or dark red country and with the exception of obligation to remain in self-isolation till the RT-PCR test result – meaning they may immediately start servicing / repairing. OR in case it is not possible to secure a pre-departure test, they may request the issuance of a one-time diplomatic note by the Czech Ministry of Foreign Affairs – in such cases they must after the entry to the Czech territory and without delay undergo a RT-PCR test at own expense. ► Obligation to wear a respirator** outside of home for the duration of 14 days.
A.j ❖ Persons in possession of a one-time diplomatic note of the Czech Ministry of Foreign Affairs confirming proven and completed isolation abroad due to covid-19 disease (point I.5j)	
➤ <i>Same rules apply likewise to family members and partners of Czech citizens if they travel together to the Czech Republic with a Czech citizen</i> ➤ <i>This serves the purpose especially to allow the return to the Czech Republic after suffering COVID-19 during holidays</i>	
- one-time diplomatic note confirming proven and completed isolation, which is issued as a rule 14 days from the first positive PCR test result at the earliest	It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry. ► Obligation to wear a respirator** outside of home for the duration of 14 days.
A.j ❖ Persons in possession of a one-time diplomatic note of the Czech Ministry of Foreign Affairs confirming the impossibility to secure a pre-departure test abroad (point I.5j)	
➤ <i>These are only very specific cases</i>	
- one-time diplomatic note confirming the impossibility to secure a pre-departure test in the country of departure ATTENTION: RT-PCR and antigen testing is possible in the vast majority of world countries, this exception is applied thus very rarely. ATTENTION: some airlines may apply stricter conditions for boarding.	► The general obligations in regard to covid-19 pandemic are applicable as to all Czech citizens (conditions laid out in the point A above), with the exception of undergoing a pre-departure test prior to the entry (meaning the first test is undergone in the Czech territory at the airport or at the place of the first entry). ► Obligation to wear a respirator** outside of home for the duration of 14 days.
A.k ❖ Cross-border cooperation within the intervention of the integrated rescue system services (point I.5k)	

➤ *Workers of the integrated rescue system of the Czech Republic*

- integrated rescue system worker card
- integrated rescue system vehicle

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

► Obligation to wear a respiratory protective equipment in line with the general rules.

B.1 CITIZEN OF THE EUROPEAN UNION RESIDING IN THE CZECH REPUBLIC FAMILY MEMBER OF A CZECH CITIZEN

► Citizens of the European Union+ with an issued temporary residence permit in the Czech Republic and family members of a Czech citizen
