

Valid from 4. 5. 2021 00:00

Rules for entry and return to the Czech Republic under the Ministry of Health Protective Measure

“A vaccinated person*” is a person that fulfils all the following essentials all at once:

- ✓ is vaccinated in the Czech Republic (this concerns Czech citizens as well as foreign nationals residing in the Czech Republic)
- ✓ the vaccination process has been completed (meaning the person has obtained the second dose in case of two-dose vaccine or has obtained the first dose in case of one-dose vaccine)
- ✓ at least 14 days have passed from the vaccination completion
- ✓ has been issued with the vaccination certificate by the Ministry of Health of the Czech Republic
- ✓ returns to the Czech Republic from countries with a medium (orange countries) or high (red countries) risk of COVID-19 transmission; these countries are solely some selected countries of the EU and no third country belongs to this category of countries (e.g. Tunisia, Egypt, Turkey, etc.)

ATTENTION: this concerns exclusively the return to the Czech Republic; this does not concern the travel / return to other EZ countries, which apply their own rules.

A. Who may enter the Czech Republic:

ATTENTION: there is a ban for foreign nationals to enter and stay in the Czech Republic for reasons other than: a) travel to work and business or other similar activities; b) provision of care for children, relatives or animals; c) essential travel to health and social facilities services and travels to deal with urgent official or emergency matters, including the provision of necessary escorts of relatives and close relatives; d) attendance of funerals; e) travels to participate in education, including internships and examinations; f) participation in authorized gatherings; g) travels to one's place of residence. **Tourism is not permitted.**

Valid from 4. 5. 2021 00:00

	country with a very high risk of COVID-19 transmission	NOTE: in case the entry is permitted, the persons follow the general epidemiological obligations in accordance with the country from which they enter
Third country national arriving from a country with an extreme risk of COVID-19 transmission Foreign nationals staying in the country with an extreme risk of COVID-19 transmission for more than 12 hours during the last 14 days	Countries with an extreme risk of COVID-19 transmission: Botswana, Brazil, Eswatini (Swaziland), India, Republic of South Africa, Kenya, Colombia, Lesotho, Malawi, Mozambique, Peru, Tanzania (including Zanzibar and Pemba islands), Zambia and Zimbabwe	<p>⇒ THERE IS A GENERAL ENTRY BAN TO THE CZECH REPUBLIC with exceptions laid out in the ANNEX 3 below</p> <p>NOTE: in case the entry is permitted, the persons follow the general epidemiological obligations in accordance with the country with an extreme risk of COVID-19 transmission from which they enter</p>

B. Epidemiological obligations in regard to COVID-19 pandemic

COUNTRIES WITH A LOW RISK OF COVID-19 TRANSMISSION:

- Entry to the Czech Republic after the stay for more than 12 hours during the last 14 days in a country of departure, which is on the list of countries with a low risk of COVID-19 transmission
- See the list of countries in accordance with the Ministry of Health Notification issuing a list of countries, or their parts, with a low, medium and high risk of COVID-19 transmission

General rules for everyone:

- ▶ It is obligatory neither to fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.
- ▶ There is obligation to wear a respiratory protective equipment in accordance with the general rules.

COUNTRIES WITH A MEDIUM RISK OF COVID-19 TRANSMISSION:

- Entry to the Czech Republic after the stay for more than 12 hours during the last 14 days in a country of departure, which is on the list of countries with a medium risk of COVID-19 transmission

Valid from 4. 5. 2021 00:00

- See the list of countries in accordance with the Ministry of Health Notification issuing a list of countries, or their parts, with a low, medium and high risk of COVID-19 transmission

Exceptions from the entry ban and from epidemiological obligations in regard to COVID-19 pandemic: see ANNEX 1 below.

- **NOTE:** those persons who have been vaccinated in the Czech Republic and who possess the certificate issued by the Czech Ministry of Health, and given the fact that at least 14 days have passed from their vaccination completion:
 - Have obligation to fill in the electronic Public Health Passenger Locator Form (www.prijezdovyformular.cz) and announce the arrival to a locally competent regional public health authority (hygiene station) prior to the entry to the Czech Republic (**Step 2**) and have obligation to wear a respiratory protective equipment in accordance with the general rules.
 - Skip all the other steps mentioned below (meaning they do not have to test prior / after the arrival or observe self-isolation).

Rules for Czech citizens, family members* of Czech citizens with an issued temporary residence permit in the Czech Republic, EU+ citizens with an issued temporary residence permit in the Czech Republic and foreign nationals with a permanent residence permit in the Czech Republic:

Public transport travel* (especially by airplane, train, bus):

- ❖ **STEP 1:** obligation to undergo an antigen test 24 hours or less or a RT-PCR test 72 hours or less prior to departure to the Czech Republic

Individual transport travel:

- ❖ **STEP 1:** - it is not necessary to undergo an antigen or RT-PCR test prior to departure

EXCEPTION IN CASE OF A POSITIVE TEST PRIOR TO ENTRY TO THE CZECH REPUBLIC:

- APPLICABLE. See detailed information below.

Rules for all other foreign nationals:

Public transport* / individual transport travel:

- ❖ **STEP 1:** obligation to undergo an antigen test 24 hours or less or a RT-PCR test 72 hours or less prior to departure to the Czech Republic; with a negative test result

General rules for everyone:

- ❖ **STEP 1:** see above according categories of persons
- ❖ **STEP 2:** obligation to fill in the electronic Public Health Passenger Locator Form (www.prijezdovyformular.cz) and announce the arrival to a locally competent regional public health authority (hygiene station), prior to the entry to the Czech Republic.

Valid from 4. 5. 2021 00:00

<p>❖ STEP 3: if requested, obligation to submit a document confirming the filling in of the above mentioned electronic locator form at the border control or residence check.</p>
<p>❖ STEP 4: in case of individual transport travel, obligation to undergo an antigen or RT-PCR test at own expense within 5 days from the entry to the Czech Republic (there is NOT obligation of self-isolation until the result of the test undergone in the Czech Republic).</p> <p>Obligation to wear a respirator* outside of home for the duration of 14 days.</p>
<p>ATTENTION: Employees and students in the Czech Republic: have obligation to inform their employer or school about travels exceeding 12 hours to a country with a medium risk of COVID-19 transmission. Employers and schools: have obligation to request a negative test result after the entry / return to the Czech Republic in order to permit the entry to a workplace / school. ➤ NOTE: this obligation does not apply to vaccinated persons* entering / returning from a country with a medium risk of COVID-19 transmission.</p>

COUNTRIES WITH A HIGH RISK OF COVID-19 TRANSMISSION:

- Entry to the Czech Republic after the stay for more than 12 hours during the last 14 days in a country of departure, which is on the list of countries with a high risk of COVID-19 transmission
- See the list of countries in accordance with the Ministry of Health Notification issuing a list of countries, or their parts, with a low, medium and high risk of COVID-19 transmission

Exceptions from the entry ban and from epidemiological obligations in regard to COVID-19 pandemic: see ANNEX 1 below.

- **NOTE:** those persons who have been vaccinated in the Czech Republic and who possess the certificate issued by the Czech Ministry of Health, and given the fact that at least 14 days have passed from their vaccination completion:
 - Have obligation to fill in the electronic Public Health Passenger Locator Form (www.prijezdovyformular.cz) and announce the arrival to a locally competent regional public health authority (hygiene station) prior to the entry to the Czech Republic (**Step 2**) and have obligation to wear a respiratory protective equipment in accordance with the general rules.
 - Skip all the other steps mentioned below (meaning they do not have to test prior / after the arrival or observe self-isolation).

Rules for Czech citizens, family members* of Czech citizens with an issued temporary residence permit in the Czech Republic, EU+ citizens with an issued temporary residence permit in the Czech Republic and foreign nationals with a permanent residence permit in the Czech Republic:

Valid from 4. 5. 2021 00:00
