

**Table No. 2**

**Conditions for foreign nationals newly coming into the territory of the Czech Republic, meaning those who previously did not reside in the Czech territory (valid from 15. 6. 2020 00:00)**

These conditions set below apply to:

- a) **EU citizens without a previous stay in the territory of the Czech Republic**, who enter the territory temporarily or for the purpose of long-term or permanent residence
- b) **Third-country citizens without a previous stay in the territory of the Czech Republic**, who enter the territory temporarily or for the purpose of long-term or permanent residence

[Traffic lights] These conditions set below do not apply to:

- a) **EU citizens of (green) EU Member States or their parts with a low risk of contracting COVID-19 and their family members<sup>1</sup>, EU citizens with the long-term or permanent residence permit and third country citizens with long-term residence<sup>2</sup> in (green) EU Member States or their parts with a low risk of contracting COVID-19, if the entry to the Czech Republic is done after stay only in a (green) EU Member State or its part with a low risk of contracting COVID-19**

In order to enter the territory of the Czech Republic, these persons do not need:

- o without the need to prove the purpose of travel (and thus belonging to one of the exceptions from the entry ban listed below),
- o without a time limit of their stay in the Czech territory or of travel outside of the Czech territory,
- o without the obligation to have a PCR testing results certificate with a negative result,
- o without the obligation to undergo necessary quarantine measures upon entry.

- Citizens of Switzerland, Liechtenstein, Norway, Iceland and the United Kingdom are regarded as EU citizens.
- Pay attention to the measures and restrictions of other states, mainly neighbouring states, which may have different rules of entry and of transit through their territory.

Category	Health related conditions for entry / after entry	Valid documents for entry (additional to possible PCR testing result documents) in relation to the Czech Republic
<b>A. Short-term entry of foreign nationals into the territory of the Czech Republic</b>		

<sup>1</sup> Pursuant to § 15a para. 1 of Act No. 326/1999 Coll., on the Residence of Foreign Nationals in the Czech Republic - spouses, registered partners, children below the age of 21, parents of children below the age of 21, parents, grandparents or descendants dependent on sustenance or other necessary care.

<sup>2</sup> According to the Council Directive 2003/109/EC.

**Table No. 2**
